

Your Source for Exceptional Soups

Our soups, chowders, and chilis span a wide range of culinary traditions and include several gluten-free and plant-based offerings. To ensure consistently refined taste experiences, we are deeply committed to small-batch, chef-guided cooking and only the finest ingredients. Our highly experienced culinary team continuously creates delicious new recipes and enhances current products.

PGI Foods is a family-owned business and all our products are made in our modern, USDA/FDA inspected, SQF certified facility in Lowell, Massachusetts.
